Contributors To Our School Supply Drive

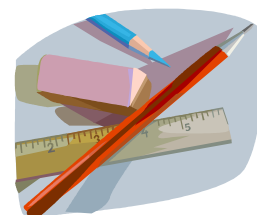

The White Settlement Area Chamber of Commerce began this year's school supply drive with the goal of assisting students and teachers of White Settlement ISD prepare for the new school year.

This year's School Supply Drive would not have been successful without the assistance and contribution of school supplies and/or financial donations from the business community.

We would like to recognize the assistance of those businesses and individuals who helped make this supply drive a success.

Jennifer Daniel (Tilden Car Care) contacted and worked with local businesses for donations of school supplies and the purchase of supplies through monetary donations. Jennifer also held a neighborhood yard sale and donated the proceeds to the supply drive with Tilden Car Care matching the amount.

Tilden Car Care provided a drop off point for the donation of school supplies and money. Jay's Self Storage provided storage space for the supply drive and also served as a drop off point for school supply donations.
